

NetMotion Diagnostics® v4.0 Third Party Licenses

Components of NetMotion Diagnostics® (the "Software") version 4.0 and later may be subject to licenses from third parties including open source communities that govern the use of those components ("Third Party Licenses"). Any licenses granted by NetMotion do not alter the rights and obligations you may have under such Third Party Licenses.

NetMotion Wireless, Inc. provides the below copies of applicable terms of such Third Party Licenses. All Third Party Licensors and their respective suppliers retain all right, title and interest in and to their respective software and all copies thereof, including all copyright and intellectual property rights with respect thereto. All rights reserved.

This product includes cryptographic software written by Eric Young (eay@cryptsoft.com).

This product includes software written by Tim Hudson (tjh@cryptsoft.com).

This package is an SSL implementation written by Eric Young (eay@cryptsoft.com). The implementation was written so as to conform with Netscapes SSL. This library is free for commercial and non-commercial use as long as the following conditions are adhered to. The following conditions apply to all code found in this distribution, be it the RC4, RSA, lhash, DES, etc., code; not just the SSL code. The SSL documentation included with this distribution is covered by the same copyright terms except that the holder is Tim Hudson (tjh@cryptsoft.com).

Copyright remains Eric Young's, and as such any Copyright notices in the code are not to be removed. If this package is used in a product, Eric Young should be given attribution as the author of the parts of the library used. This can be in the form of a textual message at program startup or in documentation (online or textual) provided with the package.

Redistribution and use in source and binary forms, with or without modification, are permitted provided that the following conditions are met:
